

Dear Mrs. Basran, teachers, and students at Barrowtown Elementary,

I am thrilled to announce that the Flood Stories project will be displayed in the Community Arts space at The Reach Gallery from January 27th through March 18th, 2023.

Now, let's CELEBRATE!

You are invited to the family opening event at The Reach on Saturday, January 28th from 11am through 2pm. We will have snacks, stories, and art projects for you to enjoy all day long! We will also be awarding prizes to winners at this event. Here is the list of winners : <https://www.ufv.ca/food-agriculture-institute/the-research/agricultural-land/the-flood-stories/>

All students, teachers, and family members are welcome to attend this event 😊

Congratulations on creating such fabulous projects! I can't wait to see them exhibited at The Reach next month.

Dr. Michelle Superle
