

Dear Barrowtown Elementary Parents and Guardians,

School is underway and its time to rally around our kids! Every year we send our kids to school so that they can learn and grow, and it is important that we participate in this process with them. That is the foundation of the Parent Advisory Council (PAC). It is us, as parents and guardians who help ensure the support of the students, staff and school so that this can be another successful year. That is why we are asking you to come join us throughout the year. As parents and guardians at Barrowtown, you are already a PAC member, so please support the kids and participate when you can. There will be many opportunities throughout the year to volunteer, so please sort through this list and circle where you can support our school, staff and students. These are just a few basic areas in which you can help, and there may be other areas needed for support. We hold our meetings at the beginning of each month, with specific dates and times to be announced. Please attend our monthly meetings if you are available. These meetings are our opportunities to brainstorm and collaborate with the staff to know how to best support for our kids while they are at school.

Please consider meeting and/or volunteering with us this year.

Thank you so much for your support.

Kayla Wiens  
PAC Secretary
